

SPIRITUAL GROWTH

A Fundamentalist Davidian

2SC10: 3.2.5

Sr. Edna Twara

Kenya Division

Tune: New

-1-

I pray to learn the Rod message oh may the Spirit lead,
Complying with It fully in word and thought and deed,
To save myself from lukewarmness that made my savior
bleed,

Oh, could I be a Christian wondered at?

-Refrain-

Remember that the Kingdom is coming very soon,
Are you ready am I ready to sing the brand-new tune,
Oh pray for me, I'll pray for you from sin to depart,
So to be a Davidian wondered at.

-2-

The loving Saviour was an active fundamentalist,
He prayerfully studied as a true loyalist,
And then with pow'r He taught the truth, a great
evangelist,

This made Jesus a person wondered at.

-3-

To be a fundamentalist is what I'm aiming for,
I follow thus the footsteps of saints who've gone before,
I elevate the standards as I near the Kingdom shore,
So to be a Davidian wondered at.

-4-

Beloved brethren hearken to today's solemn message,
No room for the modernist there in the Ox-plow stage;
Nor any chance to be among the chosen heritage
So enlist in the army wondered at.
