A day of Evaluation

10SC2: 2.1

Br. Emmanio Joseph

Tune: New

-1-

We delight in Thee our Savior, on this precious Day of Days;
The believers gladly gather, with rejoicing and with praise.
We give Thee thanks, we have come thus far, to this day in
October;

'Tis a day of rest for all, who believe the Rod message.

'Tis a day of rest for all, who believe the Rod message.

-Refrain-

Day of Days, Day of Days,
A sweet day of evaluation;
An occasion where we look back,
And then forward in vision.

-2-

History day at Mount Carmel, when her work is at a pause;
We review the year in detail, and then plan our future cause.
We read the important progresses, of the work in all places;
This is the beginning of Days, duly known as Day of Days.
This is the beginning of Days, duly known as Day of Days.

-3-

Day of reckoning that it is, yet of thanks unto our God;
For His love and for His mercies, as we check the past record.
Truly it is our great Day of Days, Lord our prayer to Thee we
raise;

May it be most memorable, the most inspiring of days.

May it be most memorable, the most inspiring of days.
