

THE HARVEST

It Must Triumph

8SC1-12: 8.1.4

Sr. Edna Twara

Kenya Division

Tune: SDAH 537

-1-

The danger lurks, but we must stand,
Against the most ingenious trap,
Which Satan will soon set as planned,
Let us view the past churches' map.

-Refrain-

It must triumph it must triumph,
The last movement which God shall call,
The journey's end is now in view,
Oh, take heed lest ye also fall.

-2-

Beginning with Noah's movement,
Called to build the ark of refuge,
They disbelieved the message sent,
They were destroyed by the deluge.

-3-

In Moses' time, the movement then,
Left Egypt, set for Canaan land,
Office seekers, complaining men,
Rebelled against the Lord's Command.

-4-

And then Joshua's Canaan movement,
Possessed the land, in purity.
Later, the seers they did torment,
They ended in captivity.

-5-

There're other movements gone ahead,
Apostolic and Protestant,
They started great but were misled,
By Satan's hand they did relent.

-6-

The Eleventh hour movement is last,
Destined to preach to all the world,
There is no longer time to waste,
It must triumph though others failed.
