

THE HARVEST

Look to the Cross

1TG21:5.1-2

Br. Edrick Sekabuuza

Uganda Division

Tune: New

-1-

The Lord has begun, with only one man,
And is gathering Benjamin and Judah,
They'll conquer mother church,
Ten tribes sing hosanna,
As simple means bring in the defeat of Satan.

-Refrain-

Men

Women

My brother...	Do you have a wedding garment?
Sister...	Look to the cross of Jesus
He is...	All our righteousness
And He will...	Wash us white as snow
Then let us...	Go before the throne with boldness
Knowing...	To the very end He's with us
If we...	As the workers for this hour...

Men & Women

Keep His commandment

-2-

The work is mattock-like, our progress is slow,
But it will spring up into, the ox-plow stage,
All virgins who are wise,
The chariot shall manage,
And no inferior cattle will - the Lord allow.

-3-

A flesh heart you'll get, and never sin again,
Forces of Gentiles come humbly, unto thee,
You'll move and fall on swords,
No wound shall injure thee,
As rejoicing the second fruit - yield you obtain.
