

Thank you, Lord for the Golden Bowl

TN11: 12.1

Bro. Emmanio Joseph

West Indies Division

Tune: New

-1-

Within God's movement today are Achans,
Ten spies, Korahs, Abirams and Dathans.
Every day with false doctrines they press us,
O our Lord, who will deliver us?

-Refrain-

Thank you, Lord, for the Golden Bowl:
For it shields us from false doctrines,
It helps us keep in step with the scroll,
As it unrolls, many souls it wins.

-2-

In the Rod some charts they have modified,
The headquarters truth they have mystified,
They claim the chariot is still here with us,
O our Lord, who will deliver us?

-3-

They publish new codes, on errors they feed,
Spread confusion on the promised David,
"We are not a church!" They keep telling us,
O our Lord, who will deliver us?
