

THE REFORMS

The FLHD anthem

Sr. Edna Twara

Kenya Division

EW: 14.1

Tune: SDAH 475

-Refrain-

God's healing power in nature,
Works to restore one's health,
As you live, and move, and labour,
Your health, it is your wealth.

-1-

Adhere unto health reform;
Your healing shall be found.
With practical faith at home;
Stand firm on vantage ground.

-2-

By using herbs from the field,
Exercise, water, air,
Sunshine and rest; you'll be healed,
From temperance, don't despair.

-3-

The Lord is our Physician,
By His stripes we are healed,
Awake and clean up, Christian,
Make efforts to be sealed.
