

THE HARVEST

When the church is made pure

SR2: 93.3

Tune: SDAH 38

-1-

Oh hear the Harvest news,
The first month, on the tenth day,
In His Chariot Christ comes to harvest the first fruit.
The judgment starts with Jews,
The wise meet Him right away,
While foolish virgins get the oil, 'tis special truth.
The wise virgins sealed,
Probation is closed,
Sadly, the foolish come to find the door is shut,
What anguish! what a loss!
Get ready, bear your cross,
Hear the truth, survive the shaking, be wondered at.

-2-

When the slaughter is done,
The pure eleventh Hour church,
Receives the outpouring to push the work forward.
Ox-plow stage is begun,
The vanguard with the truth match,
Unitedly they go to reclaim the vineyard.
The pure Rod they teach,
For five months they preach,
Revival and reformation will then commence,
Ezekiel nine will crown,
This great reformation,
The vineyard is restored to greatest excellence.

-3-

When the church is made pure,
This angers the Deceiver,
He'll bring upon the church the time of great trouble,
His plans will fail for sure,
Christ uses this to sever,
The sympathies for sin cherished by His people,
For seven whole months,
The devil torments,
Deliverance comes to the saints; their redemption,
"All aboard" the Chariot,
For saints there is comfort,
Praise God, His first fruits will then stand on mount Zion.
