

OTHER HYMNS

The QESS Anthem

3SC5, 6: 8.1.2

Sr. Esther Mwaba

Zambia Division

Tune: SDAH 145

-1-

We Queen Esthers love our God,
Serving Him gives joy untold,
Like Hannah we persevere,
Praying, fasting, being sincere;
To Christ's honor, we sisters,
Beautify His crown with stars,
With the Spirit in our heart,
We are women wondered at.

-2-

There are gems of truth we hold,
Learnt from the women of old,
Like Miriam the prophetess,
God's shepherd we'll help and bless;
We are never time wasters,
Proverbs thirty-one sisters,
The Word tells us of Dorcas,
Her good works we may surpass.

-3-

Queen Esther's society,
Ruled by faith and piety,
We will dress to God's honor,
Keep clean, with sound demeanor;
We'll learn healthy cookery,
And bake our bread properly,
In our homes bring warmth and love,
Caring, tender like a dove.

-4-

The Rod gives us courage great,
Like Esther to operate,
If we perish we perish,
To please Christ; our only wish;
We should be virtuous women,
Helping children, youths and men,
Being firm like Sister White,
God grant vict'ry in our fight.
