Awake my soul

West Indies Division

Tune: New

Br. Wilkens Desir

-1-

Oh I thank thee, my dear Lord,
For the Golden oil, thy word,
Day by day, I give thee my soul,
Cleanse my heart, make me whole.

-Refrain-

Awake my soul, Awake my soul,
Time is short, therefore awake my soul,
I open my heart the Rod to understand,
I would see Canaan's land.

-2-

The only way I feel whole,
Is to get oil from the Bowl,
If not, I will surely be slain,
Lord revive me again.

-3-

I'm so glad, I heard the call,
That is sounding now to all,
God help me to swiftly believe,
All the truths that Thou give.
