

SPIRITUAL GROWTH

**Stay in the middle of the road**

**3SC3-4: 13.1.4**

Sr. Edna Twara

Kenya Division

Tune: SDAH 286

**-1-**

There is one sure way which dictates,  
How we're being led by God,  
In the straight path to pearly gates;  
Change nothing in the Rod.  
Timely Word, the pure Truth,  
Renews strength of our youth.

**-Refrain-**

The Light doth shine, even brightest,  
In the mid of the road.  
The Light doth shine, even brightest,  
In the mid of the road.

**-2-**

Walk not along the side-edges,  
Nor go a step beyond,  
Mind the blaze of sacred pages,  
Do not be left behind,  
Let not zeal for progress,  
Make you walk in darkness.

**-3-**

Bear in mind, any efforts made,  
To hinder truth's progress,  
Will only serve as kindling aid,  
Yet foes will still transgress.  
Ne'er lax nor fanatic:  
doctrinally frantic.

**-4-**

Never say go thy way for now,  
Later, I'll call for thee,  
Pride should not dim light to your brow,  
Tomorrow, who can see?  
Grieve ye not the Spirit,
