1TG17 3.3

Tune: SDAH 332

Sis. Edna Twara

-1-

The latter rain is coming soon,
In the first month 'twill fall,
It will fall with the former rain,
On all that heed His call.

-Refrain-

The latter rain is coming soon,
Great reformation shall be seen,
Oh dear Jesus seal me I pray,
Enable me walk in light's ray.

-2-

The latter rain, oh! for it watch;
After the cleansing day,
In the Eleventh-hour church,
Lightens the kingdom way.

-3-

The latter rain comes with wonders,
Great truths will be revealed,
The truth of the seven thunders,
Will also be unsealed.

-4-

The latter rain, it will ripen,
The grains for the harvest,
The outpouring will be given,
At the divine behest.
